

SPOT

STUDENT PLATFORM OCCUPATIONAL THERAPY

A place for the future OT

ABOUT

Created at ENOTHE annual meeting 2014 by a group of OT students, for students.

Official gateway for student & ENOTHE connection.

SPOT IS A WAY TO

- Increase your international network and cultural competence
- Learn more about OT across Europe
- Take part in improving OT education and student life
- Be part of a Europe wide student support network
- Open your mind

WHAT WE DO

SPOTEurope aims to connect OT students across Europe, as well as allowing them to share experiences, opportunities, knowledge and ideas through:

- Students representatives
- Social medias
- Website
- Blog

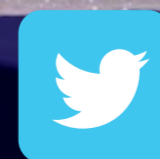

Plus we attend conferences and host workshops across Europe.

CREATE A MINI-SPOT

A mini SPOT is a student platform at a university, who stands for internationalization. Every student can set up a mini SPOT in their university!
